Oct. 17, 2022

Dear parents,

Performance at the Lester Center

Don't forget we are off to the Lester Center first thing tomorrow morning! Buses leave at 9:05, so don't be late!

Parent Teacher Interviews/Early Dismissal

On Oct. 19 and 20, dismissal is at 1:58. This is a great time to connect with your child's teacher to see how your child is doing. We strongly encourage all parents to book a time, especially since communication has been more challenging over the last couple of years. It is really important that you connect with your child's teacher. Please phone the office or stop in to book an appointment.

1. The times will be between 2:15-4:30 on Wednesday and Thursday, also 6:00-7:30 on Wednesday.
2. Ms. Thomson will be sending home written interim reports, since she will be away these days, but you are welcome to call her or book an appointment if you would like to discuss your child's progress in person when she is back.
3. If you don't come in for an interview, teachers will be contacting parents through either a written interim report, phone call, or E-mail.

Book Fair

This is happening during the same time as parent teacher interviews, so please come and check it out. There is a Jungle Theme this year!

Parent Advisory Council (PAC)

The Purdys fundraiser will be coming home this week, so look out for that. **Our next PAC meeting is on Oct. 24 at 6:30 in the library.** This is the AGM. We are excited to have some new parents join and hope to see you there!

Photo Retakes

We will let you know as soon as we have a date for this. Almost perfect attendance on Photo Day!

Halloween

There will be some fun activities planned for students on Oct. 31. Students are welcome to wear their costumes that day. Masks and weapons will be kept inside during recess and lunch.
