## Newsletter #10

Hi everyone,

Spring Break is almost upon us. March has been a short month, as we wrap up our 2<sup>nd</sup> term. It is great to see the progress that many of our students are making. You can look forward to hearing how they have been doing in the report cards coming home tomorrow. Here's hoping for some spring-like weather when we return in April! Have a wonderful Spring Break Everyone!

### Special Events This Month

Spirit Day: Wear Green! March 17

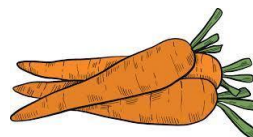

Report cards home: March 17 (last day before the break)

First Day Back after Spring Break: Monday, April 3

### Kindergarten Registration

Kindergarten registration continues. So make sure you get your child registered and spread the word. It is really helpful to know how many kindergarten students will be coming when planning our school organization for next year.

### Bunny Brunch

We are planning a Bunny Brunch for students and staff in the gym on Wednesday, April 5. We will be having salads, veggies and dip, buns, hard-boiled eggs, etc. and a special Easter dessert. Classes will each be helping out in prepping something for the luncheon. Looking forward to it!

### Before and After School Care

We are almost ready to have before and after school care available at our school. We know how much this would help many of our families. There are still a few things to work out, but we are hopeful it will be starting sometime in April. We will let you know as soon as everything is ready to go and send out all the needed information.

## Parent/Student/Teacher Communication/Early Dismissal/Book Fair

These are on April 19-20. All students will be dismissed at 1:58 on both days. This will be a time when you and your child will be invited to come to their classroom so they can share what they have been learning with you. You will be asked to phone and book a time about a week before. It is always exciting for students when their families come in to the school, so we hope to see you all there!

### Thank you!

- Thank you to the PAC for organizing a subway lunch and the free popcorn day!

**Supporting your Child's Mental Health:** Everyone experience challenges with their children about different issues. Here is a website to check out with lots of great information for parents on various mental health topics, including "School Anxiety: Getting Your Child Back to Their School Routine" [Where You Are Podcast | Kelty Mental Health](#)
